

Episode 13 - "She's Like Freddy Krueger"

Conquista Tribe - Night 33

As the **Conquista** tribe returns to camp after Tribal Council where Jimmy T. was voted out, all that remains are five former **La Flor** members and Jane. "Just six more days," Alina excitedly counts down. "Man, Jimmy T. definitely went out fighting," Benry comments. "I kinda felt *bad* for him, dude," says a sympathetic Fabio. But Jane does not agree: "I thoroughly *enjoyed* tonight's Tribal Council," **Jane** gloats in her confessional. "Jimmy T. went home, and...I definitely do *not* regret turning on my alliance. They were gonna vote me out and take Jill to the Final Three, so...I picked them off one by one and as far as I see it, they got exactly what they deserve," she declares. But now there is nowhere left to hide: "Right now, it's just the five young people and Jane," **Brenda** recaps, "so from here on out, it's gonna be chaos because now we have to vote out each other." Next to the shelter, Fabio and Benry have a quiet conversation and Fabio asks him who he thinks should be next to go. "Jane, right?" Benry asks. "I think we're all in agreement." "But...people are gonna be gunning for you and I because of the physical challenges," Fabio says to Benry. Benry subtly nods his head. "Jane, she's kinda like Freddy *Krueger* out here," **Benry** says. "You know, she's got knives on her hands <A clearly weathered Jane is shown sharpening the machete> and...you gotta *watch* cause she'll cut you up while you sleep, so...I'm glad that I have an alliance with Jane and I feel pretty good about where I stand right now."

Conquista Tribe - Day 34

The next morning, Benry enters camp yelling "We got a cell phone, boys and girls!" The **Conquista** tribe gathers around to see the unveiling of a Sprint EVO 4G cell phone, which tells them of an upcoming Reward Challenge and instructs them go to videos for a surprise. The castaways are delighted to find videos of their loved ones giving them encouraging words. Benry tears up as he watches the video with his siblings and parents. As **Benry** watches the others see their family videos, he says, "It's interesting seeing everybody's different reactions to seeing their family. <Brenda is shown with a stoic look on her face, as she watches her family's video> Brenda has, you know, definitely a poker face about the whole thing; she didn't show very much emotion." But **Fabio** was especially touched when seeing his family on the video. In his confessional, he reveals, "Actually seeing the video, it really got me, man. My mom always says the perfect things," he tearfully continues. "She told me exactly what I needed to know and I just want to see my *family* man; I really do."

Reward Challenge - Poolin' Around

Host Jeff Probst welcomes the **Conquista** tribe to the Reward Challenge, however, before the challenge can begin, Jeff informs the castaways that part of the Reward involves spending time with their loved ones while on a cruise down the coast of Nicaragua. Jeff then briefly reunites Fabio with his mother, Ann, Jane with her daughter,

Survivor: Nicaragua Fanfic

Ashley, Kelly B. with her boyfriend, Alina with her sister, Angelika, Brenda with her sister, Shirley, and Benry with his dad, John. Afterwards, Jeff explains the rules of the challenge. The Survivors will run up a plank and jump into the water to retrieve a bag of letter tiles. They will then race back and give it to their loved ones. The process repeats to retrieve a second bag. Once they have retrieved both bags of letter tiles, the loved ones will use the letters to solve a familiar phrase. The first one to get it right wins Reward.

As the challenge begins, it quickly becomes a three-way race between Fabio, Benry, and Alina, with the other three castaways close behind. As the loved ones start working on their puzzles, Ann, Angelika, and Shirley are in the lead. Angelika soon yells out the phrase "Family Comes First." She is correct, therefore winning the Reward for her and her sister Alina. Alina then makes the difficult decision of whom to take with him. She chooses Benry first and then Jane. "Any other Reward I might have declined because I don't want to give anybody reason to vote me out of here," **Benry** tells the camera, "but...I'm definitely not gonna give up an afternoon with my dad." Fabio and Kelly B. are visibly upset about being left out, while Brenda maintains her composure. Jeff then sends Alina, Benry, Jane and their loved ones off to the Reward with the Sprint EVO phone to record their good times. "I'm shocked that Alina picked *Jane*," **Brenda** admits in her confessional. "I mean, not shocked; I'll say *baffled*," she corrects herself. "If you're planning on getting rid of someone, you don't give her food and take her on a Reward, so...I'm definitely scratching my head a little bit at that decision."

Conquista Tribe - Day 34

As they return to camp, Fabio, Kelly B., and Brenda are disappointed to have missed out on spending time with their loved ones. "Why do you think they [Benry and Alina] never pick *us*?" Fabio wonders, as he sits down in the shelter. "Dude, this sucks so bad, man!" he then loudly complains. Brenda seems to have handled it well, however: "You know what? That would have just been a *distraction*," Brenda brushes off the loss. "*Honestly?!?*" Fabio asks. "I can't believe you would say that," Fabio expresses. "That pisses me off." "For Brenda to act like she doesn't care about not seeing her family and to say it's a distraction, I think it's <censored>, man," an emotional **Fabio** vents in his confessional. "Like, it's been 34 days without any love from home and...my mom and I don't even live in the same *state*, man." Later, Fabio and Kelly B. continue to wallow in the shelter: "Did you think that was wrong when she said it was a distraction?" Fabio asks. Kelly B. says that everyone handles disappointment in their own way. "I don't *buy* it, man," Fabio continues. "Nobody's that heartless." "It *hurts* me, what Brenda said," **Fabio** says in another confessional. "Family's the most important thing and...I don't care if we're playing a game. You have to have *feelings*, man."

Meanwhile, Brenda's emotions begin to come out as she goes for a walk on the beach: "I've never been, like, a super emotional person, but you know, of *course* I wanted to see my sister," **Brenda** tells the camera. "So...I just got out of camp so no one could see me and I started to think about home and family and...I started to tear up a little bit. For 34 days, I've been Strong Brenda and I've been focusing on the game and...it just brought up all these emotions." Back at camp, Kelly B. and

Survivor: Nicaragua Fanfic

Fabio notice Brenda's disappearance so **Kelly B.** decides to go look for her: "There was a time after one of the Reward Challenges when I had lost it for my team and, you know, I was feeling a little down and...the rest of the tribe really helped me, so I wanted to make sure that Brenda knew I was there to talk." Kelly B. then sits down with an emotional Brenda on the beach and tries to cheer her up. "I didn't want anybody to see me cry," Brenda admits as she tries to laugh it off. Kelly B. then opens up to Brenda about her emotions after her father was killed in Haiti, and tells her that if she feels like crying she doesn't have to put on a front. Brenda says that if she cried in front of everyone it would make her look weak. "But that's just the way I *am*," she admits. "That's how I am in real life." "They're rooting for you; you know they are," Kelly B. comforts her. A still-emotional Brenda nods her head and says "Yeah." "They're gonna be so proud of you," Kelly B. then tells her. The two women then share a hug and Brenda thanks her for talking. "I really respect her," **Kelly B.** tells the camera. "You know, I admire her as a strong, independent woman. For her to come around and show a little emotion, it *touched* me a little, so...I definitely think we connected."

Conquista Tribe - Reward

As Alina, Benry, Jane, and their loved ones board the boat, they head right for the food laid out on the tables, which includes sandwiches, fruit, cookies, and champagne. "This is so nice," Alina says. "Winning this Reward felt so *amazing*," **Alina** joyfully expresses. "Benry, I feel like he's family. You know, we're so close; we've gone through so many obstacles together. And Jane's just amazing; plus she's part of our alliance, so...it'll be good for the three of us to get away and have a chance to talk." As they sit down, the three **Conquista** members reaffirm their commitment to take one another to the Final Three. They then begin their feast. "This bread is delicious," Alina says. "Oh, it's so good," Jane exclaims. "Thank you again for *pickin'* me!" she laughs. "It was cool to get to sit down with our families and enjoy a good meal on this beautiful lake in Nicaragua," **Benry** narrates. "Definitely a little surreal to have my dad sitting there and be able to talk with him..." As they continue to eat, the Survivors engage in mini-conversations with their loved ones: "We stayed at an awesome resort," Benry tells his father about the last Reward. "I've been eating well; I got the last two Rewards," Benry says. Alina then says that the rest of the tribe "probably just got done with their bowl of rice and beans." "I don't care," Benry replies, as he focuses on the time with his dad. "Your mom is a *badass*," Alina says to Ashley as Jane's daughter agrees. "I love Jane," Alina then laughs. "You know, the people back at camp probably think that I'm gonna be the next one to go," **Jane** tells the camera, "but...I got me another alliance with Benry and Alina, so...I covered *my butt*, honey," she laughs. Benry's dad, John, then asks if he saw one of the girls had a prosthetic leg and Benry confirms that she does. "I mean, would you take a girl with a fake leg to the Finals?" he then poses to the loved ones, who all say that they wouldn't. "I mean, we're trying to win a frickin' million dollars," Benry adds. "I'm definitely looking at taking her out next Tribal Council," Benry reveals. Jane nods her head in agreement with the move: "I like Kelly B.," **Jane** says in another confessional. "She's a Carolina girl and I'm a Carolina girl; she lost her daddy earlier this year

and I just lost my husband, uh, in '09, but...I don't have any plans of takin' her to the Final Three, so...we might have to take her out next."

Conquista Tribe - Day 34

Back at the **Conquista** camp, Fabio, Kelly B., and Brenda strategize around the fire, now that tensions have settled between Fabio and Brenda. "Honestly, I got really *nervous* when Benry picked you last time cause I thought, like, 'she's a lot closer to Benry and Alina than we think,'" Fabio admits. "That's exactly how I felt about [them taking] *Jane*," Brenda then reveals. "So they didn't try to make an alliance?" Fabio then inquires. "No; I didn't make an alliance with them," Brenda assures Kelly B. and Fabio. "It's hard to know where people stand, man," **Fabio** then says in his confessional. "I've trusted Kelly B. in this game and, I mean, I've trusted Brenda *too* but Brenda's playing a big game, man. She's like the mastermind." "It's Jane next," Brenda insists. "Jane, Benry, and *Alina*," she gives an elimination order. "That's what I would like," Fabio agrees. "All it takes is for is to get through this one," Brenda says. "*Yeah*," Kelly B. agrees. "The next vote is *critical*; it's the most important," **Brenda** emphasizes, "because if Jane goes next, me, Kelly B., and Fabio will be the majority and we can vote out Benry and Alina. Plus, those two haven't done anything," she continues. "They're *clueless*, so...taking Fabio and Kelly B. to the Final Three could be a way to guarantee myself a million dollars." "And then the rest of the game is smooth sailing," Fabio declares.

Conquista Tribe - Reward

Before they say goodbye to their loved ones, they all take turns getting pictures on the Sprint EVO phone, so they will remember this Reward. "It was so *refreshing* to spend this day with my sister," **Alina** shares in her confessional. "It's amazing how much you crave food out here, but even more than that you crave love from home. You know, people don't realize what they truly do have until you're away from it for a month." "This Reward was the best yet," **Benry** tells the camera. "It was an unbelievable, truly once in a lifetime experience. I turned 24 years-old out here and I feel like I know myself better than I did 34 days ago. I will cherish this, you know, for the rest of my life." As the sun begins to set, the Survivors must say farewell to their loved ones. "Give mom a big hug for me," Benry instructs his dad. "Tell everyone I love them," Alina then says to her sister. Jane tearfully hugs her daughter. "I know what I have to *do* out here," **Benry** says in another confessional. "I came back from Redemption Island so I gotta represent and...uh, I definitely have 5 days left in me. There's nothing that can deter me from coming home with that million dollars."

Conquista Tribe - Night 34

In the dark of night, Benry, Alina, and Jane then return to camp. "I didn't know what to expect when we got back to camp," **Alina** narrates. "I didn't know if they were pissed at me for not taking them; I didn't know if they had all turned *against* me. Cause you never know in this game, especially this close to the end..." "How was it?" Brenda asks. "We waited up for you guys," Fabio then tells them. "I had the time of my *life*, honey," Jane expresses, as she gives hugs to Fabio, Kelly B.,

Survivor: Nicaragua Fanfic

and Brenda. Kelly B. then asks how the food was. "I mean, it was great food," Alina says. "The sandwiches were amazing..." she begins to tell them about the Reward, but then stops herself: "It's weird because you come back so excited about having been on a Reward and you really want to share it with everyone," **Alina** expresses in another confessional, "but at the same time you don't want to make them jealous of you, so...I had to really control myself." "Like, I'm glad you had a good time. I'd rather not here about it, you know?" Fabio then brings up. "No; I totally *get* that," Alina tells him.

The former **La Flor** members then gather on the beach to compare notes with one another about what happened at the Reward and back at camp. "I know she [Jane] tried to talk to you," Kelly B. then brings up to Benry and Alina. Benry says that they didn't even talk strategy. "So we're still gonna vote off Jane, right?" Fabio poses. Benry and Alina both say "Yes." "We're solid," Brenda assures everyone. "Don't even worry." In his confessional, **Benry** admits that there is a lot of deception and lying going on in the tribe. You know, there's six of us left and three of us are planning on voting for Kelly B.," he recaps, "so...uh, it's just a matter of keeping that plan under lock-and-key and letting everybody think it's *Jane*." "Dude, I don't want to lose to a 56 year-old lady," Benry then expresses. In her confessional, **Brenda** then tells the camera about the upcoming Immunity Challenge and says that "The stakes are getting higher and higher and...the one person that can't win is *Jane* because she's on the chopping block."

Immunity Challenge - Money Box

On Day 36, the **Conquista** members compete in the "Money Box" Immunity Challenge. Each castaway will be attached by rope and belt to a hitching rail. They will each maneuver over and under the hitching rail releasing rope as they go. When they think they have enough rope, they will run out and attempt to grab a bag of coins. The first three to get their bag of coins moves onto the final round. For the final round, they must solve a gold coin puzzle. First person to solve the puzzle will win Immunity and have a one in five shot at winning the million-dollar prize. Fabio is the first to unravel enough rope to get himself to the bag of gold coins. He is followed closely by Benry and Jane. In the final round, each person has three stacks of gold coins already placed. In the bags are ten other stacks of gold coins that need to be placed in the puzzle to create a rectangular shape that fits in a box. Benry and Jane both struggle, but Benry soon starts to get the hang of it. But it is Fabio who surprises everyone when he solves the moneybox puzzle before the others and wins Immunity. "Back-to-back Immunity Challenges; a one in five shot at a million dollars, man," **Fabio** glows in his confessional. "Benry came pretty close, but I pulled it out on the puzzle. You know, it's pretty *unbelievable*."

Conquista Tribe - Day 36

As **Conquista** returns to the camp, they all congratulate Fabio on his second win. "We got back from the challenge; Fabio won Immunity," **Benry** narrates. "You know, it sucks that I didn't win but Kelly B. not winning was just as important, so... now I gotta make sure my alliances are still my alliances." Benry pulls Alina and

Survivor: Nicaragua Fanfic

Jane aside to confirm their votes: "We're voting for *Kelly*, right?" he asks. Alina and Jane confirm that they're voting for Kelly B. "Everybody else thinks we're voting for you," Benry tells Jane. "The word in the tribe has been that when we got to the Final Six, Jane was gonna be the next to go," **Benry** reveals in his confessional. "You know, she's the last of the older tribe. She helped us get rid of Marty, Jill, and Jimmy T., so we don't really need her anymore, but...uh, I personally think we should get rid of Kelly B. tonight," he continues, "cause I don't want to take her to the Finals. You know, who would deny a girl with one leg a million dollars? So...I definitely think it's time for her to go home." Benry says that he's going to try to sway Brenda but will wait until closer to Tribal Council. "But you'll vote for Kelly no matter what, right?" Alina asks Jane. "Yeah; I mean, I'm gonna do a tie," Jane tells them. "If the vote tonight goes the way we're expecting it to go, it'll be a tie," **Alina** recaps. "Three for Jane and three for Kelly B: myself, Benry, and Jane. Unless we can convince *Brenda*..."

On the beach, Fabio, Kelly B., and Brenda have a conversation about their plans after Jane is out. "It's gonna be on you probably to beat him [Benry] cause you'll be the strongest one left," Brenda says to Fabio. "He doesn't have Immunity *tonight*," Fabio points out. "Why don't we vote Benry out tonight and Jane out tomorrow?" Fabio asks. "While he doesn't have Immunity..." Brenda contemplates the possibility but doesn't give an answer. "Cause he could win tomorrow," Fabio then adds to break the silence. "We gotta get him out now," **Fabio** declares. "Benry's a huge *threat*, man. He won, like, six challenges on Redemption Island, so why take a chance on him winning the last two Immunities?" Kelly B. and Fabio continue to push Brenda to vote out Benry by saying it's the last night they have to change the game. "Okay, we can vote Benry; my only concern is that's only three votes," Brenda worries. "You know, Brenda's played a really smart game," **Kelly B.** tells the camera, "but...I don't think she's as much of a mastermind as she thinks she is. Like, if you were gonna agree to get rid of Benry anyway, why not do it at the last Tribal Council when we had a fourth vote?" As they discuss how to secure a fourth vote, Brenda says that Alina would never vote out Benry. "*Jane* probably would," Fabio brings up. "As opposed to her going."

Meanwhile, Jane reflects on her position in the tribe and comes up with the same conclusion: "The way things are right now, it appears that the vote's gonna be a tie between me and Kelly B.," **Jane** reminds us, "but...this game's about to change again. I don't want to get *any* votes at Tribal Council tonight, so...I'm gonna cast my vote for *Benry* cause he's too strong in the Immunity Challenges." As Brenda, Fabio, and Kelly B. continue to talk on the beach, Jane approaches them and joins in the conversation. "Why can't we take out Benry?" Jane proposes. The other **Conquista** members are surprised by this sudden turn of events: "That's what I've been saying," Fabio tells her. "I thought I was gonna have to convince Jane, like, 'this is why you should vote Benry,' but Jane came up and was like 'Why not Benry?'" **Fabio** summarizes. "It's, like, too good to be true right now, man." "We can have us four," Jane continues her pitch. "Vote out Benry and Alina." "Mm hmm," Brenda nods along with the plan. "I'm telling you, that's the only logical one, and...this'll be the Final Four," Jane then declares. "I definitely think it's in my best interest to break up Benry and Alina," Fabio continues in his confessional. "Me

and Kelly B. 'll be the closest two out here, man, and I know for real she'll never write my name down unless it's for the million." "It's gonna have to be a *blindside*," Jane insists. "It is," Brenda tells her. "Cause...you saw what happened with Dan and Charlie [in Gabon]," Jane continues. Fabio is still in disbelief: "This game changes so *fast*, man," he exclaims. "I'm shocked that Jane turned on Benry and Alina after they took her on the Reward," **Brenda** tells the camera. "You know, she'll turn on *anybody* to get closer to the million dollars, but...it would be stupid to not jump at an opportunity to get him out."

In the final moments before Tribal Council, Benry approaches Brenda in an attempt to sell her on voting Kelly B. out. "We're just worrying about a sympathy vote, so we just want to get Kelly B. out of here," Benry explains. "And you have Jane with you?" Brenda asks. "Yeah," Benry confirms. But little does he know that Jane approached the other tribe members with another plan. "Oh, *Benry*," **Brenda** laughs in her confessional. "Now Benry's throwing out Kelly B.'s name, so... everything that's gone on the last three days has been absolutely insane," she laughs again. "It can be a tie or you can be the fourth vote," Benry continues to pitch his idea. "Cause I don't think any of us wants to draw rocks..." Brenda then finishes her confessional: "Me, Jane, Fabio, and Kelly B had a plan to take out Benry...but it is true that she has a fake leg, so people could give her a million dollars because they feel sympathy for her, so...we'll see where my head's at at Tribal Council," she contemplates. Alina and Benry then whisper to one another as they grab their torches. "I think she's on-board," Benry tells Alina. "Well, even if she votes Jane at first, she's not gonna want to pick a rock," Alina reassures Benry, who nods his head. "She'll flip on the re-vote," Alina says. "You know, Alina and I have a plan in place with Jane," **Benry** recaps. "Hopefully Brenda hops on the bandwagon and votes out Kelly B., but uh, even if she doesn't, the targets are Kelly and Jane so...I think I'll be *alright* tonight."

Tribal Council #14 - Conquista Tribe

At Tribal Council, Jeff begins by asking about the Reward: "Alina, part of the Reward Challenge was choosing two people to go with you," he begins. "On one hand, great strategic opportunity to make a couple of people happy." Alina nods her head in agreement. "On the other hand, you leave three other people behind. How concerned are you that that could work against you?" Jeff then inquires. "You know, I was a little concerned because obviously everyone here wanted to spend time with their loved one," **Alina** answers, "but...I feel confident about the choices I made and as soon as we got back to camp, we definitely made sure that everyone was still on the same page so I don't think it's gonna come back to bite me." "Benry, that had to have been a nice afternoon," Jeff keeps the discussion going. "Yeah; it was a great experience and, you know, I'm very fortunate to be able to share that with Alina and Jane," **Benry** responds, "and...it's definitely opened my eyes to the importance of family." Jeff then asks Jane if being able to spend time with her daughter gives her the strength to get through the last couple days. "Oh, I definitely feel rejuvenated," **Jane** replies, "and this was Ashley's last summer at home before goin' off to college, so...I'm definitely thankful to these two over here," she says as she points to Alina and Benry. "Why would you be

grateful to *Benry*?" Jeff asks for clarification. "Benry didn't pick you," he then reminds her. "Because they're a *pair*," **Brenda** then speaks up. "They've been an alliance from the start, and...Kelly B. and Fabio have been tight since like Day 5 or 6, so it's kinda like me and Jane in the middle." Benry looks towards Brenda with an uneasy expression on his face. "Alina, a *little* concerned to be outed as a tight pair with Benry?" Jeff questions her. "It's been no *secret*," **Alina** tells him. "I've been aligned with Benry on **La Flor** since before he was voted off, but...I also have a great relationship with everyone left on the tribe so it's not like we're *exclusive*. It's not like a Tyson/Candace situation. I mean, I talk to Fabio or Jane just as much as I talk to Benry."

Jeff then asks Brenda what camp was like this afternoon. "Today was the craziest afternoon," **Brenda** acknowledges. "That's the truth." Jeff then makes a surprised face. "It was *chaos*, and...the funny thing is everybody says the next one to go is gonna be Jane, but...if it's gonna be *Jane* then why was there so much whispering?" Jane raises her eyebrows at his response. Jeff then asks Benry if different scenarios were discussed. "Yeah; there were definitely some different scenarios discussed," **Benry** admits. "You know, everyone's trying to buy themselves at least one more day and if what's being talked about is no good for me personally, I'm definitely willing to make a change." Jeff then asks Benry if they're at the point of the game where they have to start worrying about who you can beat in the Final Three. "I think there's two people we really have to worry about, you know, making the Final Three," **Benry** reveals. "One is *Jane*, and one is Kelly B., so that definitely weighs on my mind a little bit." "Kelly B., how confident are you that it will swing your way tonight?" Jeff asks next. "I think you always have to have a little apprehension, especially with so few people left," **Kelly B.** says. "Every time you go to Tribal Council, there's that thought in the back of your mind you could be going home, but...I feel fairly confident tonight that it's not me." "Fabio, do you think there's still big moves being made in this game?" Jeff poses. "Cause we're getting down to it..." "We all have that million in *mind*, man," **Fabio** answers. "We all want to get to the end and yeah, you have to make big moves, dude, so I don't think it's too late." Jeff then asks Benry if he thinks the vote will be a surprise: "I think so," **Benry** says. "We'll see who goes home though," he continues. "The next Tribal Council should be even more interesting than this one." Just before the vote, Jeff asks if anyone feels legitimately in danger and no one raises their hand. "Not even *Jane*!" Jeff exclaims. "Oh, I made sure it's not me tonight," Jane reveals, causing some uneasiness within the tribe. "We all brought our bags," Benry then points out. "Brenda, what's the problem at this point with admitting that it could be you?" Jeff poses. **Brenda** answers that she thinks nobody wants to show that they have doubts in their alliances. "So nobody feels vulnerable or nobody wants to *admit* to feeling vulnerable, and yet somebody's about to get a big surprise," Jeff brings them back to reality. With this, the six **Conquista** members cast their votes.

Jeff then tallies the votes and reveals them one at a time to the tribe:

KELLY B.

KELLY B.

"Two votes Kelly B.," Jeff recaps.

BENRY.

Benry and Alina both appear to be surprised after seeing this vote.

BENRY.

"We're tied: two votes Benry; two votes Kelly B."

BENRY.

"That's three votes Benry; two votes Kelly B.; one vote left."

"Fourteenth person voted out of **Survivor: Nicaragua** and the seventh member of our jury..."

BENRY.

After a shocking vote, Ben "Benry" Henry is voted out of the game for the second time. In a 4-2 decision, he will join the jury. "You can do it," he encourages Alina on his way out.

Episode 14 - "I Got My Guns Loaded"

Surfer dude Fabio rode the wave into the Final Five.

Brenda has controlled the game.

Kelly B. beat all the odds.

Alina refused to give up.

And Jane is the last **Espada** member standing.
